Jungle floor- thanks

We have a wonderful world full of plants and creatures and fish and birds. What is your favourite creature?

Christians believe that God created the world and he wants us to enjoy it and take care of it.
We are going to take some time to say thank you for the things we love about our world.

If you would like to, choose a piece of clay and make a model of your favourite animal, bird, insect, plant or fish as a thank you thought or prayer. Then place it in the right place on the scene.

How can we protect those things that we love about our world?
