Mountains

What does it mean to be honest?
Do you find it easy to say sorry when you've done something wrong?
Being honest can feel like we're struggling to climb up a mountain. But what a great feeling when we reach the top!

Christians believe that God forgives us when we're honest with Him and say sorry, no matter what we've done. This repairs our friendship with people and with God.

If you would like to, write the word 'sorry' on an icicle as a prayer of thought for something you're sorry for. Dip it in the water and see what happens. It's a bit like how it feels when someone forgives us…it is wiped clean, repairing the friendship.
