Hope baubles

Because Aslan died in Edmund's place, the White Witch's bad magic was broken, and Aslan came back to life; this gave hope to the people that lived in Narnia. The spell was broken and the snow started melting!

Christians believe that Jesus came back to life three days after he was put on the cross, which gives them hope today.

If you would like to, decorate a card bauble. Hold it in your hand and think of someone you know who's going through a difficult time at the moment. As you hang it on the tree say a thought or a prayer in your head for that person, that they might know hope and love this Christmas.
