Thanks - Monkey

There are lots of things in this world that we love, things that make us smile. Can you think of some things you love? It could be places or people or things, or anything!

It's good to say thank you for the good things in our lives. Christians believe that God has given them all the good things in their lives so will say thank you to God

Our monkey wants to say thank you for bananas because they make him smile.

If you would like to, write on the banana something you want to say thank you for as a thought or prayer. Then stick it up with the other bananas.
