Hopes & Dreams

Flowers

Everyone has hopes and dreams – things they would like to have, or to be, things they would like to do, or places they would like to go. Some hopes and dreams are small and could happen today; others are huge and may take a whole lifetime to reach. Some hopes and dreams feel impossible.

Christians often share their hopes and dreams with God. They might ask Him to help them find a way forward or to keep going when they're finding it hard.

What do you hope for? Maybe it's something that feels quite small, or maybe it's something that feels really big

If you would like to, you can add a flower onto the display. You might like to take a flower post-it note and write a prayer or a reflection on it, or maybe you would prefer to use the tissue paper to make a blossom to represent your prayer or reflection.
