Hopes & Dreams

Everyone has hopes and dreams – things they would like to have, or to be, things they would like to do, or places they would like to go. Some hopes and dreams are small and could happen today; others are huge and may take a whole lifetime to reach. Some hopes and dreams feel impossible.

Christians often share their hopes and dreams with God. They might ask Him to help them find a way forward or to keep going when they're finding it hard.

What do you hope for? Maybe it's something that feels quite small, or maybe it's something that feels really big.

If you would like to, write down your hopes and dreams onto a piece of paper, perhaps as a prayer asking God to help you achieve them, or simply as a reminder to yourself, and then hang them up.
