Thankful Chains

When we are thankful for the good things we have in life this can help us to find joy and contentment. There are many wonderful things to be thankful for in our world. We can be thankful for physical things like houses and food. We can also be thankful for spiritual things like love and friendship. Christians like to thank God for these things.

What makes your life good?
What are you thankful for?

If you would like to, write or draw something that you are thankful for on a paper strip and then attach it to the paper chain as a prayer or reflection.
