Washing Away

Water is used to clean and wash things including ourselves, but it can also be used as a symbol of removing the bad from the good and washing it away.

All of us have done things we regret or wish we could change.
Maybe you feel like you want a fresh start and want to wash away those things?

Christians believe that when they say sorry to God, he forgives them and gives them a fresh start.

If you would like to, pick up a tablet and drop it into the water. Think or pray about how great it feels to be forgiven as you watch the tablet fizz and gradually dissolve. You could ask for help to avoid doing this again.
